PORTUGUESE AID
ALLIED TROOPS

Berlin, via Sayville, Oct. 30.—Portuguese troops are fighting with the allied forces in Macedonia. General Sarrail, commander of the allied troops, reveals in a letter to a personal friend in Paris, published by the Tageblatt. The Tageblatt declares it obtained a copy of the letter through a neutral.

General Sarrail complains the soldiers under his command are composed of the "scum of all armies," and declares that such a "Babylonian confusion of nations and languages the world perhaps never has seen since Xerxes' campaign."

Sarrail lauds the Serbs as his best and bravest fighters, declares the English and Russians want to do as they please, and calls the majority of the Italians cowards.

If Portuguese troops are on the Macedonian front, Sarrail has under his command French, British, Rus-

COAST LEAGUE
SEASON CLOSES

San Francisco, Oct. 30.—It's all over. The last organized game of baseball in the country during 1916 was played Sunday, when the Pacific Coast league players appeared for the last time.

Today was getaway day and the players were saying their farewells and hurrying away for vacations before settling down for the winter.

The principal interest in the final games of the season lay in determining what club should finish in third place. Salt Lake achieved that honor by winning from the Oaks. Although the Seals took both of their Sunday games from Portland, they wound up in fourth place.

Unofficial averages issued today show that "Kopecks" Henworthy, the Oakland slugger, leads the league in batting with an average of .316. Bunney Brief, of Salt Lake, and Justin Fitzgerald, of the Seals, were second with .314. Quinlan, Calvo, Ryan, Bodie, Bassler, Rath and Vann were the only other players in the charmed .300 circle.

Lane, of Oakland, led in base stealing with a total of 57 bases. Brief was the leading run-getter with 149 tallies, which is 18 more than Schaller, of the Seals, who finished second.

Ryan, of Los Angeles, led the pitchers, having won 29 and lost 10 games for an average of .741.

BIRTH CONTROL CASE
TO SUPREME COURT

New York, Oct. 30.—New York's law against the preaching of birth control will be fought to the United States supreme court if necessary. It was announced today following the conviction of Miss Jesse Ashley, head of the woman's law department, New York university, on a charge of distributing birth control pamphlets. A divided court sentenced her to a \$50 fine or 10 days in city prison. She paid the fine under protest and entered an appeal.

Dissenting from the opinion of his colleagues, Judge McInerney, in special sessions, advocated a straight-out 30 day sentence, and attacked the woman for violating the law in order that she might test its constitutionality.

"This defendant knew the law and deliberately violated it," he said, "so I think she should be punished. These people know that this court has repeatedly passed on this law, and if they want to change it, why don't they go and change it. I don't see why clemency should be given."

Miss Ashley, a thin, gray-haired woman, of fighting Massachusetts abolitionist stock, sat calmly during the rendering of the decision, listening through an ear trumpet at the court's arraignment.

Dierrell's Gorgeous Costume.
When Dierrell was a young man he once went on a vacation trip to Corfu in this extraordinary costume: "A blood red shirt with silver buttons as big as shillings, an immense scarf for girdle, full of pisols and daggers; red cap, red slippers, broad blue striped jacket and trousers. His servant, engaged for the occasion, wore a Mamee lute dress of crimson and gold, with a white turban thirty yards long and a sash glittering like a rainbow."—London Spectator.

Why Not?
Clerk—Now, see here, little girl, I can't spend the whole day showing you penny toys. Do you want the earth with a little red fence around it for 1 cent?

I. W. W. WAS SLAIN
DURING HIS SLEEP

Redwood City, Cal., Oct. 30.—That W. D. Brown, Spokane I. W. W. member, was murdered while he slept, was the theory advanced today by Deputy Sheriff Congdon, Deputy Coroner Stead and other officials investigating the death of a man whose body was found in the barns of the Beresford Nursery, near San Mateo, Sunday. The body was found on a bale of hay. The throat was cut, apparently by a razor. The man's knife was found under his coat, on which the head was pilloved. The knife was closed and unstained.

There were no signs of a struggle, but the absence of a weapon indicates the man was murdered and his murderer escaped. Employees of the Barron ranch nearby reported hearing gates opening and closing early in the morning. Dr. Wu. A. Brooke, coroner, will hold an inquest tonight.

Why Vote Pendleton \$125,000

for something we already possess—a State Normal School plant in Eastern Oregon?

Why vote an annual tax of one-twenty-fifth of a mill for a Pendleton Normal when one-fortieth of a mill would provide ample maintenance for the Weston Normal?

Do you want to be out of pocket \$325,000 in ten years? This is the approximate sum that a Pendleton Normal would cost over and above the cost of the Weston Normal, allowing for a nominal increase in state valuations.

Every man, woman and child in Oregon is annually taxed \$30, according to A. H. Harris, a Portland writer. Taxes for all purposes in 1916 reached the enormous total of \$22,000,920.94. Schools alone cost \$7,000,000. Why toss tax money away by granting Pendleton's absurd demands?

Why Not Reopen the Weston Plant?

It's ready for use and consists of four buildings and ten acres of ground. It has been recently inspected and approved by such prominent architects as Beezer Bros. of Seattle and Osterman & Siebert of Walla Walla. Beezer Bros. say that \$2,000 properly expended on the principal building would bring it to an "almost perfect condition." These substantial taxpayers, officials and men of affairs denounce the Pendleton scheme as one of "extravagant folly":

J. M. Banister, Mayor of Weston; Homer I. Watts, Mayor of Athena; B. B. Richards, Recorder of Athena; H. A. Barrett, Merchant, Athena; C. A. Barrett, State Senator, Athena; H. B. Lee, ex-County Commissioner, Milton; J. F. Slover, Merchant, Freewater; C. D. Hobbs, Mayor of Milton; H. L. Frazier, ex-County Commissioner, Milton.

Why did not Pendleton confine her bill to a normal school proposition? Why does she seek to "validate" institutions that are firmly and lawfully established. Is it not clear that this is a vote-catching device? Isn't it "log-rolling" of the rankest variety?

And finally, would you care to send your children to a town impregnated with Round-Up atmosphere? Isn't it a fact that a great Round-Up town is for that very reason a poor state school town? Would you want your children to carouse, dance and gamble in Happy Canyon, or to even witness its wanton revelry?

Moss, Wm. MacKenzie, S. A.
Barnes, Clark Wood, Weston, Or.)
